

**CANDIDATE FOR GOVERNING BOARD MEMBER
VICTOR ELEMENTARY SCHOOL DISTRICT**

NAME: KAREN S. MORGAN

AGE: 59

OCCUPATION: Incumbent

I have lived in this community all my life. I recently retired from the San Bernardino County Sheriff's Department as a Public Relations Officer. I have been involved with children for the past 35 years, serving the community in youth organizations such as Little League, Jr. All American Football, youth swim teams, and the high school booster club. Children are my first priority. Elementary education is so important to the life of a child; these formative years are the key to their future. The growth in the high desert brings a real challenge to us all. We need to keep this in mind: "Learning for All, Whatever it Takes." I believe public officials have a responsibility to listen and learn. Believe me, I listened and learned, and I promise to continue to be available to anyone who has an opinion or an idea to benefit children and education in general. I will work to continually improve each school & each Dept to benefit our students.
